“TOGETHER WE READ” (TWR) PROGRAM

“Together We Read” (TWR) is a program designed to help parents and family members learn the same methods that skilled readers use to read to their children and strategies to make book sharing more effective. The “Together We Read” and “Read With Me” video/DVD and book series collections are located in the Parent Center. These materials are also available for you to borrow. If you and your child are interested in participating in the TWR program, contact the FES Office at 860-570-2371.
